- Once you have the test results, talk to your child's headteacher

What can I do if my child does not qualify?

You can either

The procedure is explained in the results letter in October

The Selection Review Panel can decide a child is qualified and once agreed this qualification is for any grammar school

Selection Review Panel

- Selection Review Panel sits Nov-Jan
- 3 headteachers - two grammar one primary
- Decision included in 1 March allocation
- Decision applies to all grammar schools
- Can still appeal later when IAP will consider whether review process was 'fair, consistent and objective'

Non-qualified appeal

- Possible to go straight to appeal
- Appeal heard after 1 March
- Most schools will already be full by then
- You would have to prove academic potential AND give reasons why you believe a place should be offered above number

Whether a qualified child will be offered a grammar school place depends on:

- Preference order
- Grammar school admission rules
- A place being available

You will be able to:

- Put the schools in the order you prefer them
- Give reasons why you have listed these schools

Do your homework!

- Does your child need to sit or pass a test to be considered for a place at the school?
- Do you have priority of admission?
- Do you need to complete a supplementary form?
- Do you live in-catchment? (Check this on the website)
- How will your child get to school?

School Transport

Transport given to the **nearest** secondary school if:

- Over three miles away, or
- Under three miles but the route is an 'unsafe walking route'
- Check on www.buckscc.gov.uk which school is the nearest school to you
- All secondary schools are treated equally (grammar/upper/comprehensive/free)
- Discretionary bus tickets can be purchased

The offer process – Step 1

- Local authorities share offer information
- Each school preference is treated separately
- The schools are not told where they are placed on the preference list by the parent
- All admission authorities apply their admission rules to all the children with the school as a preference and sort the children into 'ranked order'
- The schools tell the ranked order to their council

The offer process – Step 2

- Where more than one offer can be made to the same child the higher preference place is offered
- The lower preference place is declined
- The lower preference place is offered to another child
- Children who cannot be offered any of their preferences are then offered a place at the nearest school with vacant places remaining

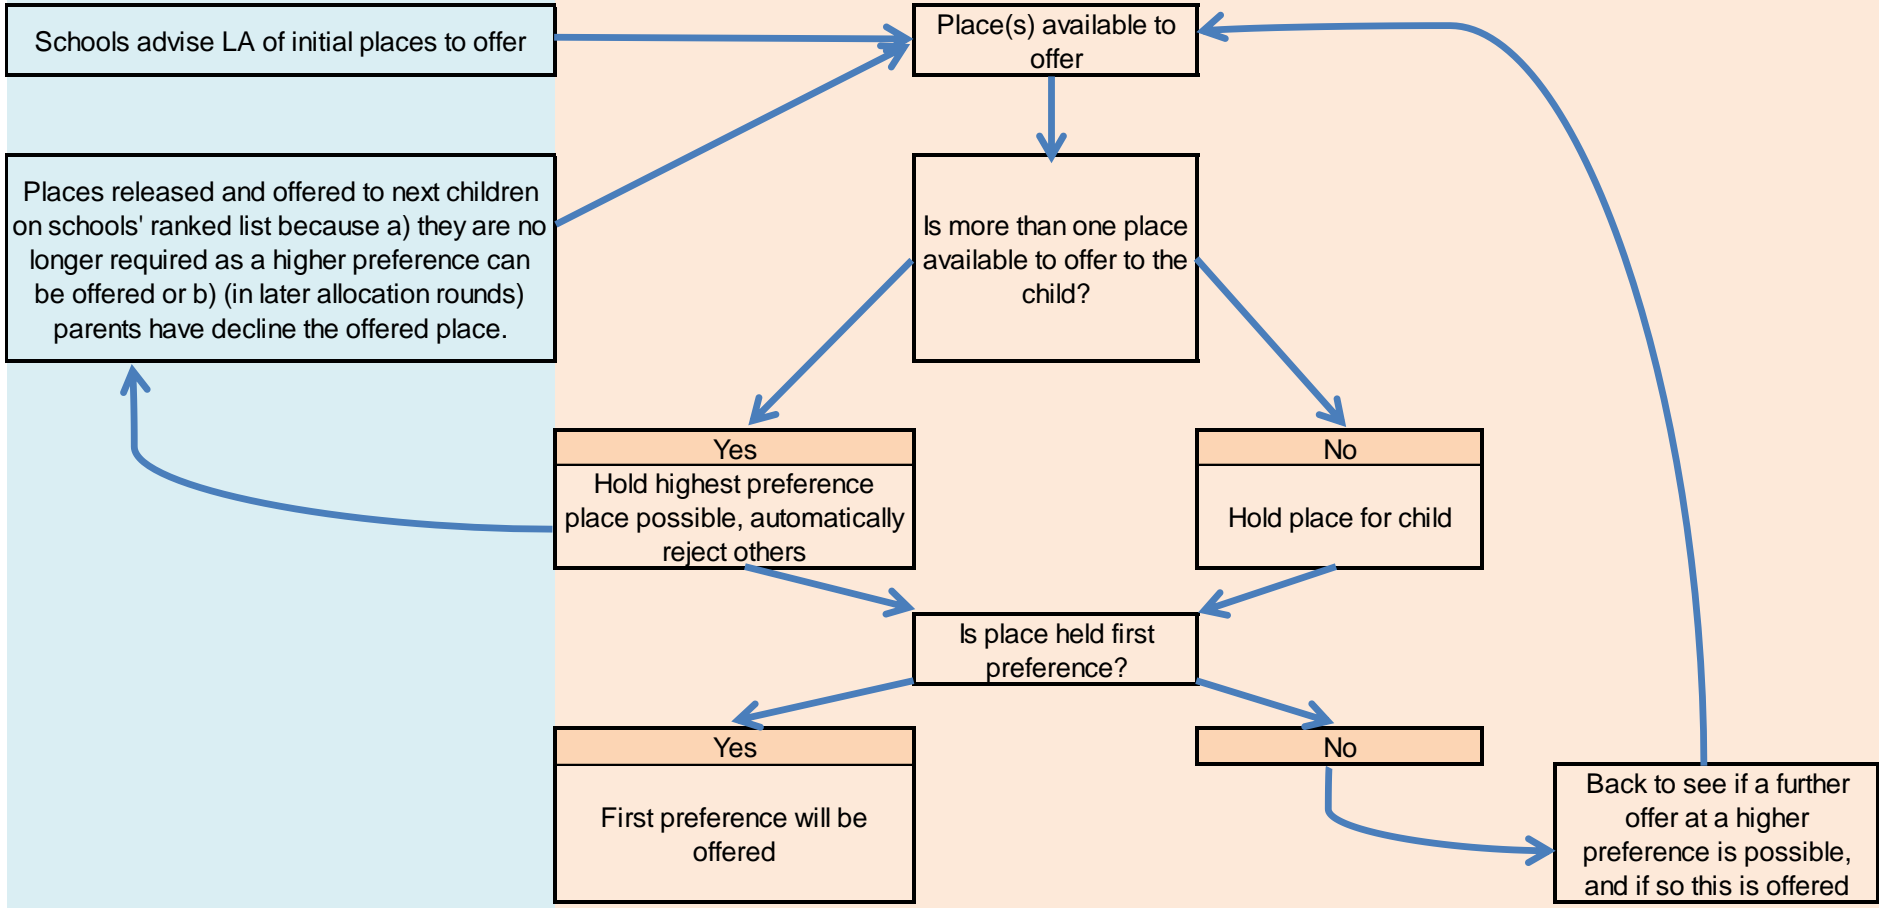

Important notes

- Only qualified children are offered grammar school places
- Think carefully about the order you put the preferences in
- Try to include a local school that you have a good chance of being offered a place at
- Look at the transport rules
