Dear Parents/Carers

PARKING ON THE SCHOOL SITE

We have had a number of parents parking in unauthorised areas in the school grounds and, in particular, blocking the emergency access to the school or blocking other cars in. The safety of our children on the school site is paramount and I would like to remind you that we have a strictly 'no parking' policy inside the school grounds (other than for staff and visitors within the designated visitor parking bays).

The only exception to the above are for parents/carers with disability or mobility problems, for whom there are two designated blue parking spaces adjacent to the staff car park. Anyone using these spaces should either display a Blue Badge or ask at the School Office for a parking notice to be displayed in the car window when parking on site.

Thank you for your support in this matter

Fran Sturley
School Business Manager
