Headteacher: Caroline Colmer BA (Hons)

Dear Parents / Carers

Please find attached our attainment results for pupils at Winslow CE Combined School. We are delighted with their achievement, from EYFS right through the KS2. This is the result of their hard work, your support and the excellent teaching they have received. Thank you and well done to all! The progress results for the school will not be published until next academic year.

Best wishes

Cazz Colmer
Head Teacher
