Dear Parents/Carers,

I would like to remind you about the rules we have to ensure everyone keeps safe on our school grounds

- **Dogs are not allowed on the school site.** We ask you not to bring dogs onto the school premises at all as, whilst they may be family pets, some children are frightened of them and dogs can also react to the large numbers of young children at the start and end of the school day. There is also a health and safety risk if dogs foul the play areas. You could arrange to meet your children outside one of the school gates or leave your dog at home.
- **Bicycles and scooters should be wheeled and not ridden on the school site.** We positively encourage children to walk or cycle to school and we have our own bike and scooter store on site. Please ensure that once on the school grounds that your child gets off their scooter or bike and walks it across the playground. This will keep everyone in the playground safe.
- **The main entrance vehicle and pedestrian gate must remain shut during school hours.** For the security and safety of our site, the gates are kept shut between 8.40am and 3.15pm. If you use these entrances, please make sure you shut the gate behind you as you enter or leave the site.

Thank you for your cooperation to keep our school families safe on the school site.

Best wishes

Mrs C Colmer
