HELP US SPEND A PENNY!

Last year's 'spend a penny challenge' was so successful and we were able to raise enough money to sponsor a toilet in Afghanistan. We would love to try to raise enough money to sponsor another toilet.

Do you have a jar of coppers, pennies and two penny pieces?

Are they weighing your wallets, purses and pockets down?

Then look no further and join us in collecting them to support us with our challenge!

We would love parents, grandparents, family, friends and neighbours to save their coppers for the next few weeks. Throughout the summer term we hope to collect as many pennies as possible and fill our special toilet located in the main entrance of school.

We then intend to use our pennies to 'Twin' one or more of our school toilets with a latrine overseas in the developing world. One toilet costs just £60 and we would be given a framed certificate to display outside one of our toilets as a reminder of our support.

You can find out more information by looking online at www.toilettwinning.org

Our hope is that we can look beyond our immediate community and help a little with an essential life resource and encourage our own children to appreciate the access we all have to water and good sanitation.

Thank you so very much for your support and remember, let us spend your pennies for you!

Mrs M Walker
