Dear Parent/Carers,

Reminder car access to school site & courteous parking

Firstly, a happy new year to all our families and it has been lovely to see the children return refreshed to school today.

We have had some problems with chaotic parking on the school site this morning which has the potential to impact on the safety of pedestrians on site. I would like to remind parents of the following:

- Parents are **NOT ALLOWED** to park on the school site. The only exception to this is for parents/carers who have physical disabilities but a valid disabled parking permit or school parking permit **MUST** be displayed. The school parking permits are available on application to the school office.
- The only other cars allowed to come on to the site are where parents are using the dropping off zone outside the caretaker's bungalow. Mr Lawrence will be in attendance during the morning peak times to help your children from the car so they can walk themselves in to the playground.

Attached is a letter from the local police which gives further advice on how to park safely and courteously around schools. Wherever possible, we ask parents to park away from the school and walk at least some of the way - the nearest car parks are on Elmfields Gate by the public hall or on Greyhound Lane and it takes less than 5 minutes to walk to school from there.

We thank those parents who already show the appropriate respect and consideration that is due to all our local residents and demonstrate care for the safety of all our pupils.

Thank you all in advance for your support in this important issue

Mrs C Colmer
